INTRODUCTION

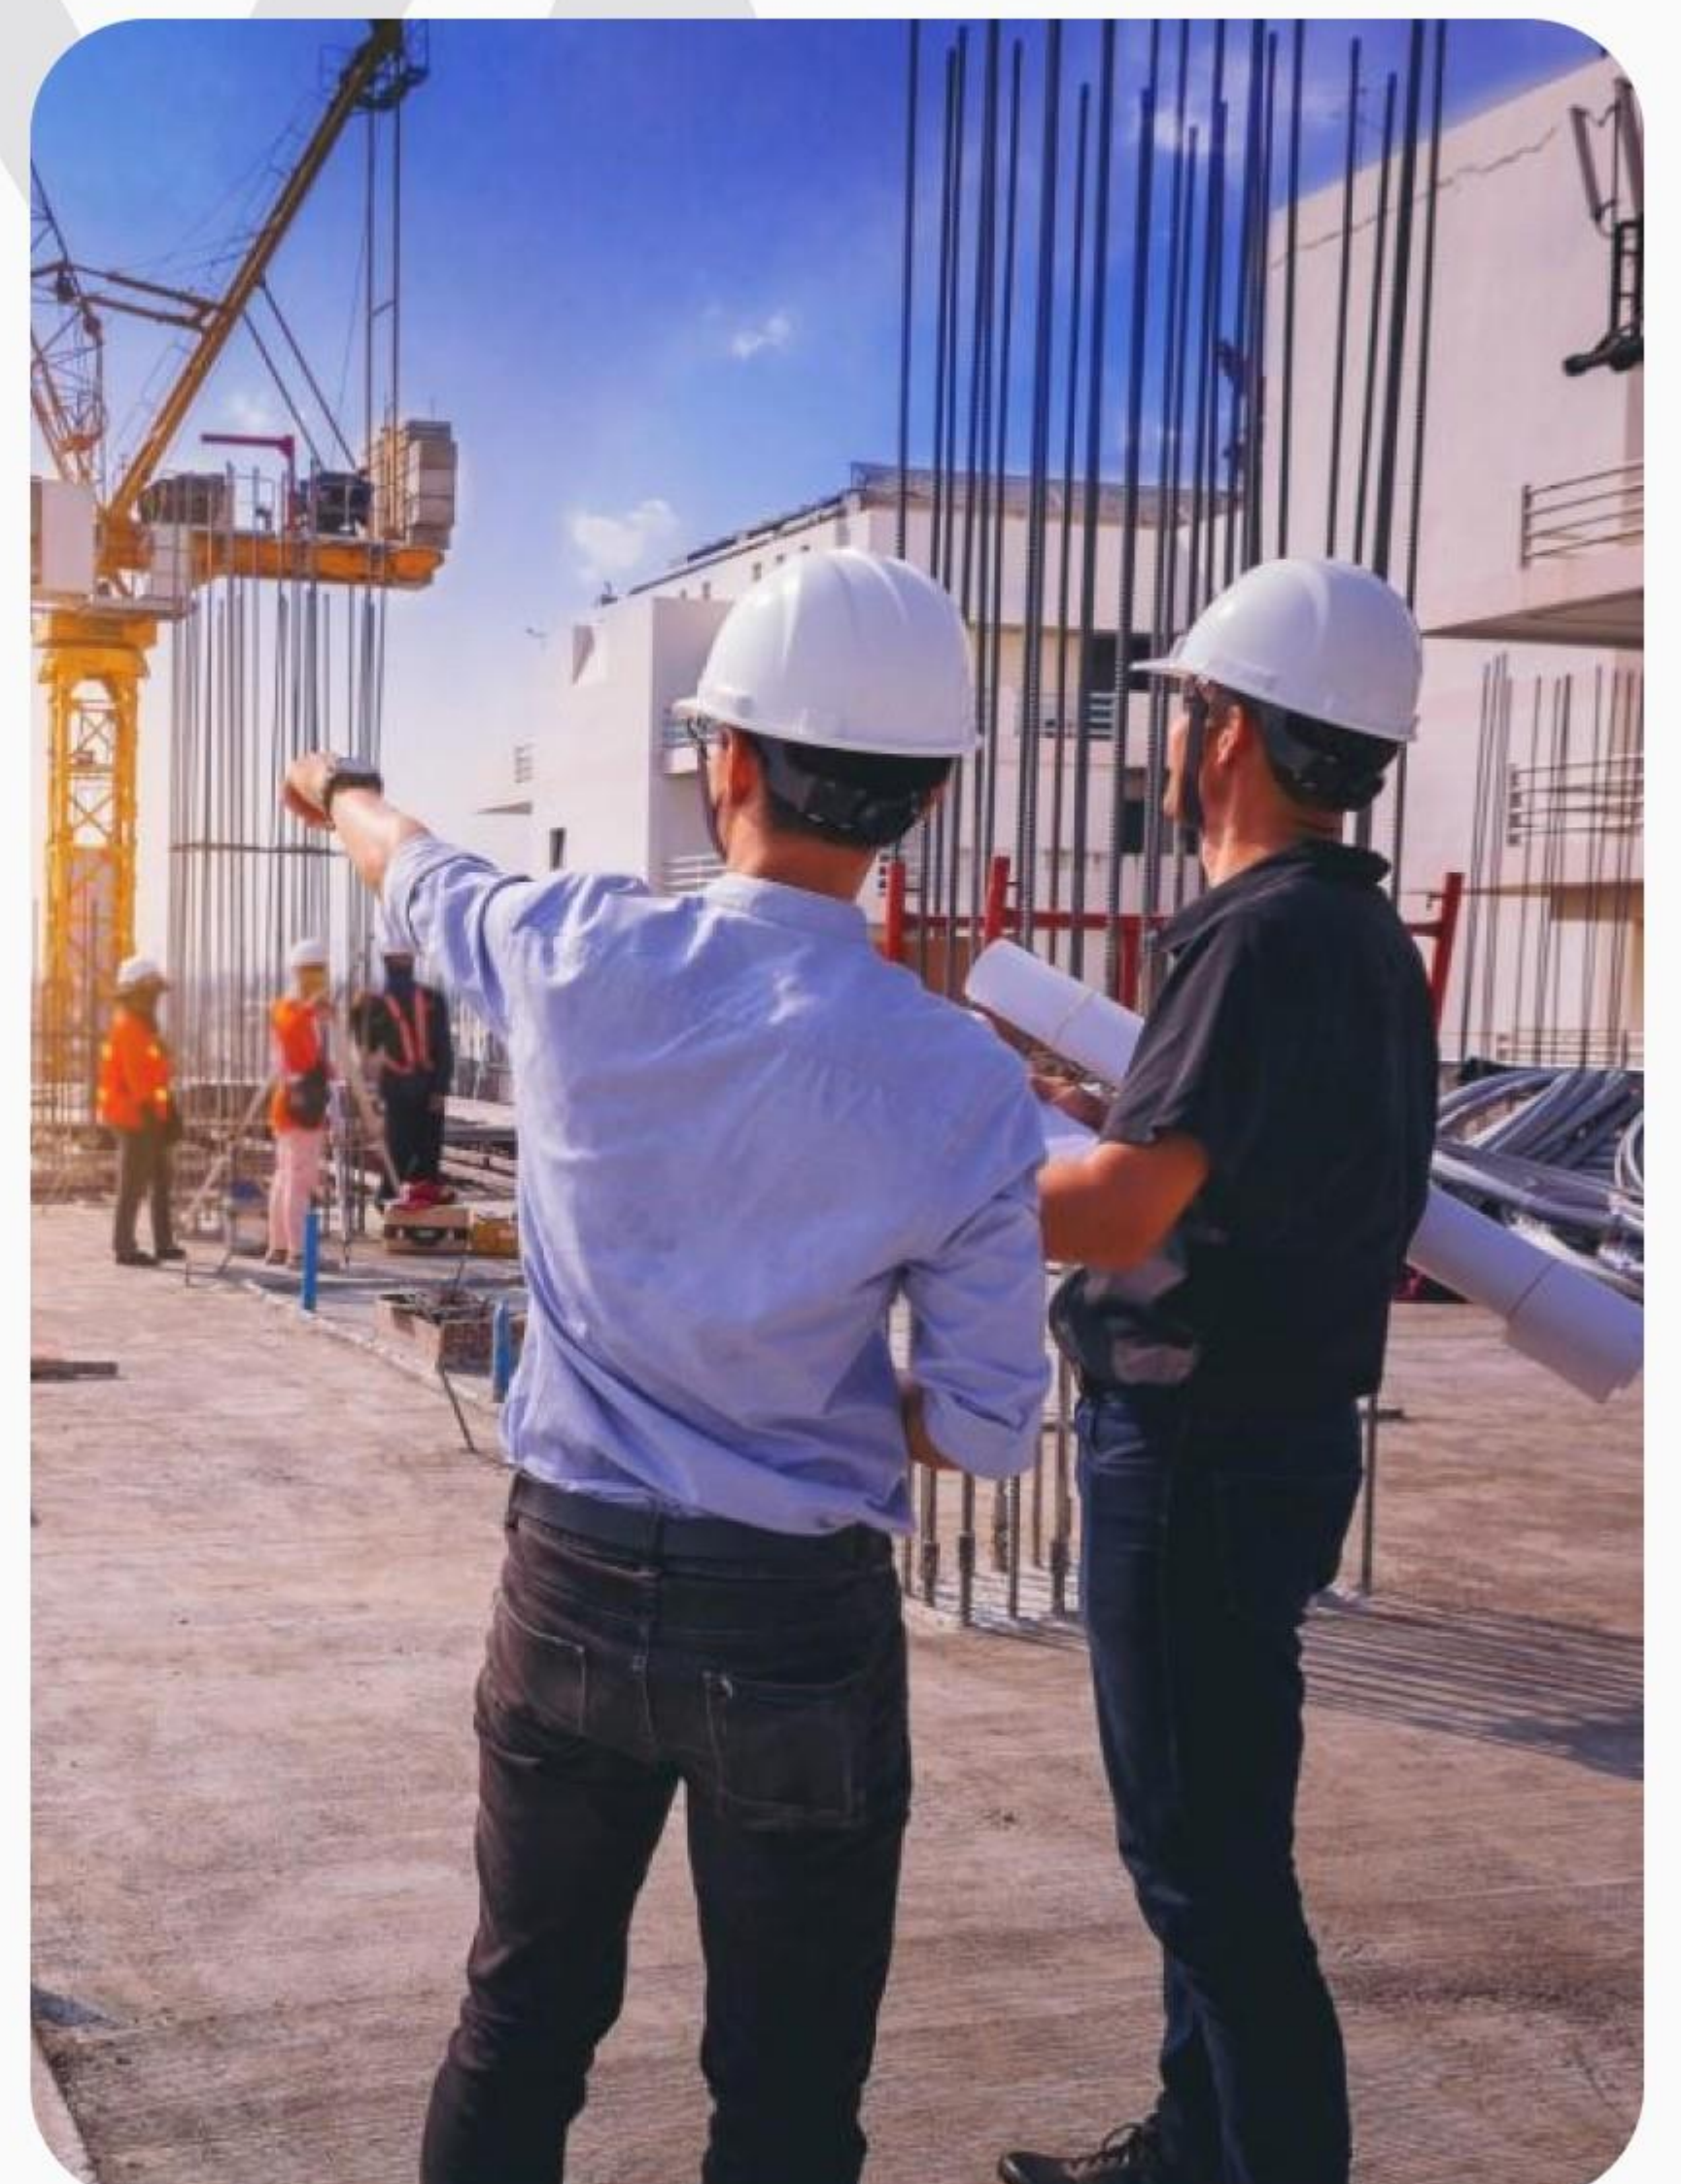

Qurya Allaman Contracting & Trading Est., founded in 2015, was established by a group of driven professionals with a shared vision of creating a market-leading organization to raise the standards of the local industry.

Despite starting with a limited workforce, Qurya Allaman was fortified with essential strengths—deep technical knowledge and advanced skills. By capitalizing on the expertise of its people, dedication, and access to industry-leading resources, Qurya Allaman has evolved into a prominent, multi-disciplinary organization. Today, it proudly provides comprehensive services across various sectors, reinforcing its reputation as a leader in the region.

Vision:

To be a world-class leader in electro-mechanical and building construction, committed to advancing resource development and reconstruction across regions. We are guided by these principles:

- **Responsiveness and Reliability** in all our engagements
- Utilization of cutting-edge technology for **effective, timely** engineering solutions
- A focus on total quality, profitability, and full **customer satisfaction**
- Delivery of **superior** quality service
- Dedication to the **development** of communities and nations we serve
- A strong commitment to **environmental protection**
